Mid-winter meeting held in Wichita

The Kansas Elks Association held its mid-winter meeting in Wichita the weekend of February 7th & 8th at the Wichita Airport Hilton. Representing Russell Lodge #1715 were Jim & Jaime Malone, Larry & Louann Kibbee, Lynn Wickizer, Chuck Gudenkauf, and Steve and Coleen Boxberger. Among other occurrences, Jim Malone was elected into the office of State Secretary. Jim will be installed at the KEA annual convention in May. His wife, Jaime, is the Ladies Major Project Chairperson for the state. She's in charge of raising funds for our major project, KETCH.

Jim and Jaime, we're very proud of you!

New motivation program -- \$100

The state association has introduced a program the hope will motivate lodges to initiate and retain members. If our lodge increases its membership by at least one member this year, and meets the Grand Exalted Ruler's goal for ENF donations, we will be eligible for \$100 to be used for any benevolent project we choose. \$100? You may say not such a big deal.

The big deal part is that if we attain those goals for a second year we can double it and receive \$200; and so on up to \$800. Do you know someone who would make a good Elks member? Help the Lodge attain this goal and propose a new member.

You can get applications at the lodge or most any officer.

To Book Private Parties any time, contact Judy Laurie at the Lodge or 483-3590. She would love to have recommendations for menu items or suggestions for different ways to serve.
